TIME/ROOM	TUESDAY • SEPT 10 • CONCURRENT SESSIONS	WHO WILL BENEFIT?
8:30 - 9:30am Salon C	Classroom Systems That Promote Student Engagement Routines and procedures are the foundation of creating classrooms that promote high levels of student engagement. Join this session to discuss long-established systems that will help take your student engagement to the next level! <i>Presenter(s)</i> John Calhoun - Hebron Middle School, Bullitt County	MS
8:30 - 9:30am Salon A,B	Understanding Fear and Taking Action <i>(repeated at 2:15)</i> Together, we'll unpack the major issues that cause us to resist (or totally avoid) getting out of our comfort zone. By understanding how to address these issues, we can all learn more. <i>Presenter(s)</i> Trevor Ragan - Train Ugly	EL, MS, HS
9:30 - 9:45am 15 Minute Break • Exhibit Hall ALL ATTENDEES		
9:45 - 10:45am Salon E	Leading in Literacy, Innovation, and Technology Do students and teachers in your school yearn for deep learning opportunities that involve literacy, problem solving, innovation, and technology? Participants in this interactive session will learn how to maximize the role of the library media specialist and library media resources to help grow a community of learners, advance learning, and cultivate community partnerships. <i>Presenter(s)</i> Maria Cahill, Janet Lanham, Lynn Reynolds, Tara Griffith, Heidi Neltner, & Marty Park	EL, MS, HS
9:45 - 10:45am Salon D	Top Down Engagement To close the gap all students must be active participants in the learning process. If we expect 100% engagement from our students, we must have 100% engagement from our teachers. If we expect 100% engagement from our teachers, we must have 100% engagement from our leadership. Focusing on instructional delivery and design through professional learning at the leadership level will transfer to success. Let's lead, Kentucky!!! <i>Presenter(s)</i> Ronnie Dotson & Judy Dotson - Carter County Schools	EL, MS, HS
9:45 - 10:45am DarbyDan/ Calumet	Making Math Matter Learn the successful strategies implemented by a high-performing school to increase the math achievement for all of our students. <i>Presenter(s)</i> Amanda Boyle & Sibyl Colwell - Shopville Elementary, Pulaski County	EL, MS, HS
9:45 - 10:45am Salon G, H	How to Make Achievement Gains Using Innovative Practices and Programs Somerset High School recently made the list of top twenty high schools for ACT scores. In this session, district and school employees will discuss the innovations behind these achievement gains. <i>Presenter(s)</i> Tonya Davidson, Jeffry Wesley, & Kristi Jenkins - Somerset Independent Schools	HS

TIME/ROOM	TUESDAY • SEPT 10 • CONCURRENT SESSIONS	WHO WILL BENEFIT?
9:45 - 10:45am Salon F	2018-2019 Accountability Reporting and Spring 2020 Testing <i>(repeated at 11:00)</i> Kentucky's new accountability system has students at its center – ensuring that they are well-rounded, transition ready and prepared with the knowledge and skills they will need to be successful after high school. Join KDE staff as they share the latest on the upcoming 2018-19 accountability reporting and spring 2020 testing.	MS, HS
<i>Presenter(s)</i>	Jennifer Stafford, Michael Hackworth, & Helen Jones - Kentucky Department of Education	
9:45 - 10:45am Salon C	Tools for Resilience We all face challenges and experience adversity. So, we're going to talk about some resilience truths and the tools to enable perseverance.	EL, MS, HS
<i>Presenter(s)</i>	Trevor Ragan - Train Ugly	
9:45 - 10:45am Salon A,B	Teaching Mathematics Vocabulary That Sticks Many students, especially those with learning disabilities, struggle to learn math vocabulary. This session will explore the use of High Leverage Practices (HLPs) for Special Education, including explicit instruction and instructional technology, to teach math vocabulary. The strategies presented can be used across all grades. Participants will learn an instructional routine for teaching vocabulary and design lessons using it.	EL, MS, HS
<i>Presenter(s)</i>	Mark Helton - Central Kentucky Educational Cooperative	
10:45 - 11:00am	15 Minute Break • Exhibit Hall	ALL ATTENDEES
11:00am - Noon DarbyDan/ Calumet	How We Learn: Making Lessons Memorable Cognitive scientists identify a basic model that describes an ideal arrangement for learning. The model includes tapping background knowledge to build connections to new learning, active processing to build on the conceptual framework in the mind, and using metacognition for consolidation of learning. Learn how these phases or episodes can be developed in your classrooms and school to make brain research work for you.	EL, MS, HS
<i>Presenter(s)</i>	Rick Fisher - Allen County	
11:00am - Noon Salon G, H	The Social Media Advantage Social media has become an integral component in building a positive school culture. When effectively utilized, it can increase student attendance, create transparency, promote 2-way communication, and positively tell your school's "story." Transform your school one post at a time.	EL, MS, HS
<i>Presenter(s)</i>	Robin Stevenson - Cartmell Elementary, Carroll County	
11:00am - Noon Salon F	2018-2019 Accountability Reporting and Spring 2020 Testing <i>(repeated at 11:00)</i> Kentucky's new accountability system has students at its center – ensuring that they are well-rounded, transition ready and prepared with the knowledge and skills they will need to be successful after high school. Join KDE staff as they share the latest on the upcoming 2018-19 accountability reporting and spring 2020 testing.	MS, HS
<i>Presenter(s)</i>	Jennifer Stafford, Michael Hackworth, & Helen Jones - Kentucky Department of Education	

TIME/ROOM	TUESDAY • SEPT 10 • CONCURRENT SESSIONS	WHO WILL BENEFIT?
11:00am - Noon Salon C <i>Presenter(s)</i>	Integrating Technology into Lessons Technology is exciting for students but can sometimes be overwhelming for teachers to get it integrated into lessons. We will explore some basic ideas to incorporate technology into your planning to keep students engaged and involved in their learning. Beverly Rutledge - Carter County	EL
11:00am - Noon Salon A, B <i>Presenter(s)</i>	Preparing your students for the ACT Pikeville High School prepares students for the ACT while attending junior high and high school. In this session, school leaders will share strategies and procedures that they have used in order to prepare students to take the ACT. Jason Booher & Dawn Stewart - Pikeville High School	HS
12:30pm	Lunch and General Session	ALL ATTENDEES
2:15 - 3:15pm DarbyDan/ Calumet <i>Presenter(s)</i>	Increasing Engagement in the Elementary Classroom Come and discover the rigorous student- centered engagement strategies that we incorporate in our classrooms and how we implant technology into our instructional lessons. Erika Hurt & Nancy Flowers - Cumberland County Elementary	EL
2:15 - 3:15pm Salon G, H <i>Presenter(s)</i>	Google Slides To The Rescue! Murray Independent teachers will demonstrate how Google slides can be used in all subject areas to reduce teacher work load and encourage collaboration among students. Lourdes Oster & Whitney York - Murray Independent School District	EL, MS, HS
2:15 - 3:15pm Salon F <i>Presenter(s)</i>	Understanding Fear and Taking Action <i>(repeated from 8:30)</i> Together, we'll unpack the major issues that cause us to resist (or totally avoid) getting out of our comfort zone. By understanding how to address these issues, we can all learn more. Trevor Ragan - Train Ugly	EL, MS, HS
2:15 - 3:15pm Salon C <i>Presenter(s)</i>	Beyond the Fish Bowl Learn how Jefferson County's Backpack for Success Skills program requires students to gather evidence for their digital backpacks to show readiness for the next grade level. Hear from Rob Fulk, Marion C. Moore principal, and Matt Kaufmann, 2020 Kentucky High School Teacher of the Year, about the impacts of this project and Deeper Learning Exhibitions on learning, engagement, and achievement in a diverse student population. Rob Fulk & Matt Kaufmann - Marion C. Moore, Jefferson County Schools	EL, MS, HS

TIME/ROOM	TUESDAY • SEPT 10 • CONCURRENT SESSIONS	WHO WILL BENEFIT?
2:15 - 3:15pm Salon A,B	Leading School Improvement in the Face of Adversity Leading school improvement doesn't come without its fair share of challenges, however, with careful planning, active communication, built-in support systems and celebration, it can be done! Come see how building a positive culture and climate, even in the face of adversity, can improve morale, aid in teacher retention, increase student enrollment, and, ultimately, create an environment where students can maximize their potential. <i>Presenter(s)</i> BobbiSue Holmes - South Green Elementary, Glasgow Independent Schools	EL
3:15 - 3:30pm	15 Minute Break • Exhibit Hall	ALL ATTENDEES
3:30 - 4:30pm Grand Ballroom	General Session "A teacher touches a life forever." The biggest factor for student academic success is having high-quality, effective teachers. Commissioner of Education, Dr. Wayne Lewis, will share his thoughts on the impact of great teachers and how all of us can help get passionate and talented people to go into the teaching profession. <i>Presenter(s)</i> Dr. Wayne Lewis, Commissioner - Kentucky Department of Education	All Attendees
4:30pm	Scavenger Hunt Prize Drawing • Exhibit Hall	ALL ATTENDEES
4:45pm Calumet	Young Living Essential Oils Young Living consultants will lead an informational session on how to use essential oils, blends, and oil-infused products. Individual consultation will be available at the end.	All Attendees

Wednesday, Sept. 11 Sessions

TIME/ROOM	WEDNESDAY • SEPT 11 • CONCURRENT SESSIONS	WHO WILL BENEFIT?
7:30am	Continental breakfast provided by KASC. Includes coffee, juice, muffins, and fruit. Exhibit Hall Opens	Welcome Back!
8:30 - 11:30am Elmendorf Room 7th Floor	Leading With Evidence-Based Practices Effective SBDM councils are equipped with current knowledge and explore opportunities to improve outcomes for all students. In this session, councils will explore evidence-based practices, understand how implementation of practices can impact achievement, and examine how the council can lead effective change.	Experienced Members must attend all 3 hours to earn SBDM credit and meet requirements.
<i>Presenter(s)</i>	Lynne Keen, KASC Lead Trainer	
8:30 - 9:30am Salon D	Co-teaching is not just two teachers, It's how we instruct together! Co-Teaching has been around for many years, yet teachers can struggle to get greater student outcomes. Learn the important practice of planning together to improve outcomes for all students within the co-taught classroom.	EL, MS, HS
<i>Presenter(s)</i>	Connie McDonald Brookins - Southeast South-Central Educational Cooperative	
8:30 - 9:30am DarbyDan/ Calumet	Students Take the Lead Hear how 5th and 6th grade students take the lead and pave the way for change, using classroom data and collaboration with teachers and administrators to set the bar for high achievement and moving forward in a real world way.	EL, MS
<i>Presenter(s)</i>	Michele Hawkins & Jodi Granis - Hillboro Elementary, Fleming Co	
8:30 - 9:30am Salon G, H	Every Minute Counts (Simple Solutions) Simple Solutions is a spiral curriculum and used properly can increase student achievement. This session will show how to properly implement Simple Solutions into the classroom to maximize results.	EL, MS, HS
<i>Presenter(s)</i>	Lisa Sibert - Simple Solutions	
8:30 - 9:30am Salon F	Building and Sustaining a Personalized Learning Culture What is personalized learning? Why does this shift matter? How can we build and sustain? These questions rattle in the minds of educators trying to innovate in their schools. No matter your role- teacher, administrator, council or board member- moving to a more personalized learning experience for students has specific implications to the decisions made by each of these. Leaders from Shelby County Schools will share some understanding gained from working as teachers and now, principals, over the last ten years of innovation in the district.	EL, MS, HS
<i>Presenter(s)</i>	Jennifer Cox & Adam Hicks - Shelby County Schools	
8:30 - 9:30am Salon C	Improving your ACT Scores through Effective Instructional Strategies Berea Community High School has increased their ACT scores by providing effective instructional strategies and using creative scheduling throughout their school day. Providing intentional programs and strategies, students have become accountable for their progress and their ACT scores.	HS
<i>Presenter(s)</i>	Charlie Brock & Eef Fontanez - Berea Independent High School	

TIME/ROOM	WEDNESDAY • SEPT 11 • CONCURRENT SESSIONS	WHO WILL BENEFIT?
8:30 - 9:30am Salon A,B	Shared Learning from the Classroom Shared Learning is a fully inclusive co-teaching model that utilizes station teaching to meet individual needs and to maximize student engagement. This presentation by general education and special education teaching partners will demonstrate how teachers effectively work together to ensure student success. <i>Presenter(s)</i> Michelle Morris, Jane Goatley, & Crystin Moore - Boyle County Schools	EL, MS, HS
9:30 - 9:45am	15 Minute Break • Exhibit Hall	ALL ATTENDEES
9:45 - 10:45am Salon E	A Blended Learning Approach that is More Than 1:1 Being 1 to 1 is just one small piece of a successful Blended Learning Approach to teaching and learning. In this session, participants will create or revise their vision for blended learning that may or may not include being 1 to 1 with technology. This session will focus on the non-negotiables of a blended learning environment and finding balance between pedagogy and technology implementation. <i>Presenter(s)</i> Alison Gregory - Graves County	EL, MS, HS
9:45 - 10:45am Salon D	Crafting Policy for Evidence-based Practices During this session, participants will discuss innovative ways to incorporate ESSA's evidence-based practices provisions into their policy making. Participants will review existing SBDM sample policy, create innovative amendments, and discuss the implication of those amendments on school functioning. <i>Presenter(s)</i> Mathew Courtney, Ed.D - Kentucky Department of Education	EL, MS, HS
9:45 - 10:45am DarbyDan/ Calumet	Get On Your Feet! Get Up and Make It Happen Don't be Charlie Brown's teacher. Learn simple strategies useful in any subject area to get your students on their feet and engaged in learning. Plus, learn tips for formative assessment opportunities. <i>Presenter(s)</i> Jeani Gollihue - Greenup County High School	HS
9:45 - 10:45am Salon G, H	Project Management in the Classroom Struggling with a consistent structure to manage classroom projects? Come for an in-depth look at project management and gain access to resources to take students to a higher level of learning. <i>Presenter(s)</i> Emily Tubbs & Rachel Frydlewicz - Bath County Schools	EL, MS, HS
9:45 - 10:45am Salon F	High-Level Questioning Strategies Find out how to ensure High-Level Thinking, through Bloom's Taxonomy. TLAC (Teaching Like A Champion) strategies will be embedded into the session to fully understand how to achieve a rigorous atmosphere, while students maintain high-level thinking. Learn how to create leveled questions and maximize teachable moments to create an atmosphere of learning where students are continually thinking at high levels. <i>Presenter(s)</i> Crystal Reeder - Jessie Clark Middle School, Fayette County	EL, MS

TIME/ROOM	WEDNESDAY • SEPT 11 • CONCURRENT SESSIONS	WHO WILL BENEFIT?
9:45 - 10:45am Salon C	The Academies of Lexington: A Business and Education Collaboration Using the theme “Explore your World, Find your Future,” The Academies of Lexington is a collaboration between three Lexington high schools and business and industry partners. Through innovative educational practices that link core content and career/technical education, the Academies of Lexington use real-world, hands-on learning experiences to prepare all students for life after high school. <i>Presenter(s)</i> Kim Lyon & Shawn Hinds - Fayette County	HS
9:45 - 10:45am Salon A,B	Where in the World? Global Geo Tools for Global Awareness Fostering empathy and global awareness among learners is a critical responsibility of today’s educators. By harnessing the power of Google’s Geo Tools, educators can engage students with authentic learning experiences to develop global awareness. <i>Presenter(s)</i> Pam Rowland - Rowan County Middle School	MS
10:45 - 11:00am	15 Minute Break • Last Chance to visit the Exhibit Hall	ALL ATTENDEES
11:00am - Noon Salon E	Incorporating RIT Bands Into Primary Guided Math Participants will learn how to use a workshop model to set up small-group, guided math stations that utilize RIT band data to drive instruction in kindergarten and first grade classrooms. <i>Presenter(s)</i> Monica Raymer & Elizabeth Galle - Norton Elementary, Jefferson County	EL
11:00am - Noon Salon D	Futureproof Your Students: Leveraging Community Partnerships to Guarantee Student Outcomes By creating partnerships with the community, a school can leverage shareholders’ expertise and engage students in challenging and rewarding work. Discover how to integrate work and life ready skills within the classroom to help students transition to high school and beyond. <i>Presenter(s)</i> Ben Lusk & Monica Wainscott - Beechwood Independent Schools	EL, MS, HS
11:00am - Noon DarbyDan/ Calumet	The Royal Diploma Creating a K-12 graduate profile has been a journey. This session includes discussion of why every school should be looking beyond academic standards to meet the needs of next generation learners and employers. Team members will discuss development of the royal essential skills, stakeholder input, defense of learning protocol, and next steps. <i>Presenter(s)</i> Rick Ross, Holly Kimble, & Justin Moor - Mason County Schools	EL, MS, HS
11:00am - Noon Salon G, H	Innovation Hub: Building Student Engagement & Critical Thinking with STEAM Tools Want to take student engagement to the next level? Want to have students using critical thinking skills? In this session you will learn about STEAM tools that will have students rushing to work before school and about how teachers are using these tools to enhance instruction. This session will include demonstrations of some of the STEAM tools and opportunities for hands-on learning. Give students the opportunity to code, build, create, collaborate and think critically! <i>Presenter(s)</i> Mechelle Morgan & Amanda Curlin - Murray Middle School	EL, MS, HS

TIME/ROOM	WEDNESDAY • SEPT 11 • CONCURRENT SESSIONS	WHO WILL BENEFIT?
-----------	---	-------------------

11:00am - Noon Salon F	Importance of School Culture and Thriving through Change Got change? Have you just been through a change, facing an upcoming change, or just know it is possible? If that sounds like you, then this is your session! Come learn how to thrive through the inevitable changes that we all find ourselves facing at school and how to focus on school culture through it all.	EL, MS, HS
<i>Presenter(s)</i>	Kimberly Fitch & Jana Osborne - Boyd County Schools	

11:00am - Noon Salon C	Creating Emotional Balance and Resilience to Enhance Learning This training builds on the Brain Architecture Game: Trauma, Toxic Stress & Impact on Learning. Participants will move beyond an understanding of why students react in a certain way and discover the “how” when it comes to helping students build resilience. They will better understand the Window of Tolerance and will be exposed to multiple strategies educators can easily incorporate into their day to day classes and use to build resilience, empathy, and connectivity with their students.	EL, MS, HS
<i>Presenter(s)</i>	Michelle Grimes Jones - Kentucky Education Association	

11:00am - Noon Salon A, B	Confessions of a Google Goddess Participants will receive ideas to help engage ALL learners through FREE technology in the classroom: Google tools, Chrome Ad-Ons and Extensions, Pear Deck, EdPuzzle, Go Formative, etc. Discussion will include ways to differentiate classroom instruction and gather formative and summative assessment data for classroom use. This will be a hands-on session, and participants are urged to share their ideas and how they might incorporate these tools in their districts.	MS, HS
<i>Presenter(s)</i>	Holly Pitts - Beechwood Independent Schools	

TIME/ROOM	2019 KASC Annual General Meeting and Election	ALL MEMBERS
-----------	---	-------------

12:30 - 1:30pm Grand Ballroom	<i>At this open meeting, delegates from member councils will elect representatives to the KASC Board of Directors, a 30-person governing body comprised of three people (a parent, a teacher, and a principal) from each of eight regions in the state, plus six at-large members.</i>	ALL MEMBERS
---	--	--------------------
